I use to be thin, but following the Orson Wells Diet, I've put on 70 lbs in just 2 weeks!

Orson Wells Weight Centers Can Help Even You!

Do you feel bloated after eating? Do you look horrible in those old shorts? When you look in the mirror do you say:

“Man, would I like to have a fat belly or what”!

IF SO, YOU COULD BE HELPED BY THE ORSON WELLS WEIGHT CENTER OF ALBANIA

People like you are not hopeless, just adipose challenged. Get more from your current adipose cells. For a mere \$789.⁹⁹/week we can help you improve upon those love handles, spare tires, and a whale of a lot more. So don't just sit there, put those future pudgy fingers into a bag of *Ruffles*® and practice waddling on over to the nearest phone and dial **1-800-FRE-FLAB** to talk to one of our Weight Counselors (Dom Deluise, Rosanne, Mimi, John Candy and Delta Burke). Then let's do lunch and talk about how fat you *could be!* Remember, skinny is a state of being but morbidly obese is a way of life. Don't be a 98 lb weakling when you could be a 637 lb immovable object. So don't delay, call **1-800-FRE-FLAB** now and start adding those extra pounds today. With proper training, even the largest turkey will no longer make you feel bloated, and you can finally buy some *NEW* shorts and most of all you can proudly say, *“Man, do I have a fat belly or what”!*

Finally Gals, Your Dreams CAN Come True!

Dr. Sven Kanife of the *Albanian Medical College* CAN make it possible for you to join the U.S. Navy as a *seaMAN* first class. As Dr. Sven says, “All it takes are a few nips and tucks” and \$47, 689.³⁴.

Life as a Navy Man is Grand!

So don't miss out, schedule your visits with Dr. Sven *NOW!*

The WIN To All

“I found the **WIN** crucial during my negotiations to end the Vietnam war. However, I must say that the 1972 **WIN** editorial entitled ‘What's Going On At Democratic Headquarters’ was a bit more troublesome to me.”
